

Lockable Poster Frames

Aluminium Lockable Poster Frames

These Poster Frames are lockable, waterproof and vandal resistant. All frames come with a choice of back boards to accommodate various media types and suitable for positioning either landscape or portrait. All our poster frames are manufactured from durable extruded aluminium and come in a range of colours.

They come in two frame sizes: -

The 45mm option is suitable for both internal and external use. They come with a 2mm strong plastic clear front and with door stay, to keep the door open, therefore making poster changes much easier.

The 55mm option using a high spec extruded aluminium frame. Again suitable for both internal and external use complete with the 2mm front and door stay. This option also has poster clips, ensuring a simple poster change.

Both options are also available with a pin board or magnetic back panel.
